1. Companies must make parking arrangements for parking in L.A. County parking lots with DBH's parking contractor prior to first film date.
2. All production companies must have prior authorization for in/out parking privileges in any L.A. County parking lot. Arrangements must be made in advance with DBH's parking contractor. Film companies paying upon entry, without prior arrangements, will not be allowed in and out privileges.
3. All production vehicles must display a parking receipt on dashboard of vehicles and must only enter lots during approved/authorized dates and times. Failure to display parking receipts on dashboard of vehicle or unauthorized entry will result in a parking citation.
4. The production company may not block public or emergency access or park vehicles in any front row adjacent to local businesses at Venice Beach at any time (see parking lot maps).
5. The production company is prohibited from parking in disabled parking spaces, short-term metered parking and from blocking any pay stations at any time (no exceptions).
6. A walkthrough is to be conducted after the production company has parked all of its vehicles. This walkthrough is to be done by the location manager (or designated representative) and a parking contractor supervisor to determine the exact number of spaces being utilized and that number is called into the parking contractor's office. The location manager must make arrangements to meet again with the parking contractor supervisor at a designated time to confirm spaces prior to vacating the parking lot and again that number is called into the parking contractor's office.
7. The production company will be invoiced for any additional spaces occupied by cast/crew members' cars, equipment vehicles and cone-off spaces.
8. Production companies wanting to use parking spaces at one of the parking contractor operated parking lots on the beach or in the Marina del Rey area must contract the parking contractor directly (310.821.1081) and speak with office management. Normal business hours are Monday through Friday, 8:00 a.m. to 5:00 p.m.

Launching and Landing of Personal Motorized Watercrafts:

- Production companies will be allowed to launch and land personal motorized watercrafts (not vessels) at the south end of Venice Beach at the North Channel Lifeguard tower, from October through March.
- Production companies may use the north jetty pedestrian walkway for the purposes of towing personal motorized watercrafts down to the beach. For safety purposes, the use of flagmen or retired/off-duty police officers are required to ensure the safety of pedestrians and beachgoers while towing vehicles are on the walkway.
- After launching, personal motorized watercrafts must remain 300 yards off shore.
- Vessels must remain 300 yards off shore.

- Personal motorized watercrafts and vessels must not impede the ingress and egress of boat traffic at the Marina del Rey Channel entrance.
- For film shoots with the use of personal motorized watercrafts in scenes, such watercrafts must remain 300 yards off shore and production company must hire two Lifeguards. One Lifeguard will serve as the operator of the Los Angeles County Lifeguard personal motorized watercraft. The operator will be on the water to monitor the shoot and keep a lookout for public safety. The other Lifeguard will serve as an in-the-water rescuer. Production company may also be required to hire shore-based Lifeguards.
- Unusual requests for use of personal motorized watercrafts will be evaluated on a case-by-case basis.
- On the day of the shoot, if water/weather conditions are unsafe for scenes with the use of personal motorized watercrafts, Lifeguards have the authority to cancel the shoot.

RE: VENICE BEACH PARKING LOTS GUIDELINES – WASHINGTON BLVD, VENICE BLVD. AND ROSE AVENUE LOTS

The Department of Beaches and Harbors has implemented the following guidelines when film productions request the use of over 50 parking spaces of the subject lots:

- A parking monitor will be assigned to all Venice lots in which production is requesting 51 spaces or more. (Keeping the maximum of allowed spaces to 25% of each lot)
- Parking lot vendor will assign a parking monitor at the current hourly rate, which through 2022 is \$28.17.
- Parking monitor will be required for a minimum of 4 hours on the first day of parking needs (Move-in Date).
- The film production Location Manager (or production representative) must check in with the parking monitor before filming vehicles and equipment enter the parking lots and park. The monitor will direct the production company where to park and review parking guidelines.
- Parking monitor will ensure production companies park within permitted parking spaces. Maps of parking lots will be distributed for reference.
- All additional standard parking guidelines will apply (attached).
